

Web Development Estimate

Bridget,

Thank you for taking the time to meet with us regarding your new website. I appreciate your patience as we worked with our sales team in order to present the best proposal for you. Based on your contract, the cost of this proposal will be covered.

We've broken down the proposal into the three processes necessary to build a website: design, build and content. For each step, we determined the estimated amount of time it will take to complete that phase. Based on our conversation we will create your website with the inspiration of the two websites we discussed.

If you have any questions regarding please do not hesitate to reach out to me.
