Coat of Arms of the Holy See

Since the XIV Century, the two crossed keys have been the official insignia of the Holy See.

Gold key = The power in the kingdom of the heavens
Silver key = The spiritual authority of the papacy on earth.
Cord = The bond between the two powers.

[Cf. Fundamental law of the State of Vatican City dated 26.11.2000 (Acta Apostolicae Sedis, Sup. 01.01.2001, Attachment B).]
