  - Sacramental Education  
Baptismal preparation is for parents who wish to pass their faith on to their young child. Baptism (live link to baptism) is the external sign celebrating the entrance of a person into the total Christian Community as well as into our Saint Mary parish family. Please contact (live link to contact) the parish office to schedule baptism preparation.

Our marriage (live link to marriage page) preparation program is for engaged couples wishing to receive the sacrament of marriage. In the sacrament of matrimony, the couple is promised that God's love will be effective in their reciprocal love for one another. Because our faith views marriage in this light, it is of the utmost importance that couples planning to enter this permanent bond be adequately prepared.

First Reconciliation (live link) and First Holy Eucharist are completed in second grade through our Family Religious Education Program (FREP) or through religion classes for Saint Mary School families. The Sacrament of Confirmation (live link) is completed in January of ninth grade with preparation beginning in the candidate's eighth grade year. There is also Adult Confirmation preparation held each year in which adults prepare to be confirmed on Pentecost Sunday.

Candidates of all ages can prepare for Baptism, First Reconciliation, First Eucharist, and Confirmation through the RCIA (live link) process, as well.

Paragraph form and each sacrament will have a Button with a live link to the Sacraments page (i.e., Baptism)

This is a general Idea we had for the navigation for the website. It would allow us to have fewer items in the top navbar while still being able to present all items in dropdowns and reduce the bar's size.
